

Ports & the Environment

4th International Seminar
22nd March 2012, Amsterdam, Netherlands

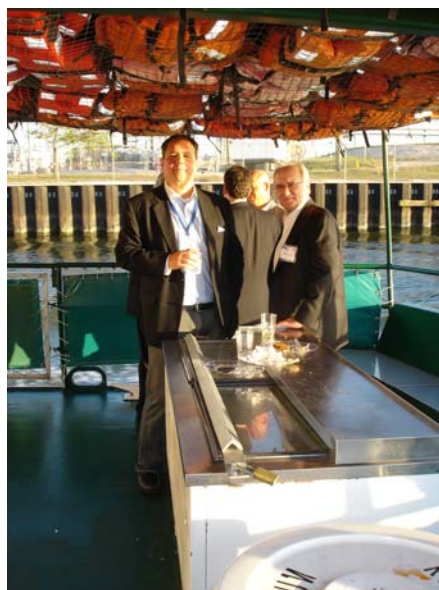

Sponsorship

Companies and organisations wishing to maximise their commercial profile at **Ports & the Environment 2012** will more than benefit from the fantastic opportunities offered by sponsorship!

From pre-event corporate publicity to high profile promotion at the event itself your company can enhance its exposure to port and terminal representatives, consultants, market leaders and industry professionals.

There are numerous ways for you to increase company recognition, raise your profile and establish your brand by taking a leading role at the event and putting your name in front of decision makers!

From the sponsorship of delegate lanyards to sponsorship of a gala dinner don't miss your opportunity to garner the attention of our varied and high powered attendees and show support for our key industry event.
